

The 2nd Annual Avalon Community Service Project

Calling All Elves!!

We will be sponsoring a local nursing home this year by buying gifts to be given to the patients. For many of these seniors, your gifts will be their only Christmas presents this season.

Last year we collected over 150 gifts and the staff was overwhelmed by your generosity. We are hoping for another spectacular response!

Details:

We will be collecting gifts for **35 female** and **13 male** patients.

Please wrap each gift individually and label the gift male or female and what the gift is. This will ensure that your gifts are given to the appropriate person.

Example: Female- Size 8 Slippers Male or Female- Classical Music CD

The following is a list of some ideas (but you are welcome to be creative)-

Slippers, Robes, books, CD's, crossword puzzles, lotions, blankets, socks, pajamas, calendars etc...

Please leave all gifts on my porch (300 Pennystone Circle) between the dates of Dec. 18th and 20th.

I will collect the gifts on those days. If you would like to help transport and deliver gifts, we will do so on Friday, December 21st.

We truly live in a special community! Thank you in advance for your generosity!

Please contact jessepyle1@gmail.com with any questions.
