

# The Meade of Avalon

## Gate Access Information with Instruction Sheet

The gates are currently kept open on Sunday from 1:00 p.m. until 5:00 p.m., and Monday, Tuesday, Friday and Saturday from 11:00 a.m. until 5 p.m. It is closed all other times. Mailed with your welcome packet from The Magnolia Group will be two (2) gate openers. You may use the transmitters to open the gate as you approach and you will also have a personalized four digit access code that you can use at the keypad. This may be helpful if you are not in your personal vehicle with a remote. **At the keypad follow the directions to call someone, or press the # key then your four (4) digit code to open the gates. Example: #1234. When a guest calls you from the gate, press 9 then hang up and the gates will open. We may not be able to use your first choice for an access code so please make note of your choices and try both once you are set up with a code. It will take approximately 3-5 days once you have returned the form for your gate openers and gate access code to become active.**

We have additional gate openers available for \$65.00 each.

Please fill out the form below and return it to the management company. You may FAX the form to (615) 794-9544.

If you have any questions please contact The Magnolia Group at (615) 599-0746.
